“ Hello to Bob's family. I am Bob's first cousin, Barbara Fenstermaker Hapner. My father and Bob's mother Thelma were brother and sister. When we were young kids, we spent lots of time together. I have a brother Don who is almost 91 and I will soon be 89, so the 3 of us being so close in age had lots of fun, plus getting into trouble also. Don lives in Pasadena, CA. I live in Coldwater, MI. I used to correspond with Bob, but several years ago my letters were returned to me. So have wondered what had happened to Bob. I also have sister, Marilyn who lives in Albuquerque, N.M. Would love to stay in touch with any of you. I do hear from Paulette Drake at Christmas every year. Have very good memories of your father and mother. God Bless Barbara Hapner, 175 N. Michigan Ave, #86, Coldwater, MI 49036
