Andy was my " first love". Even after we both got out of NHYM we stayed in contact. He immediately came to help me in MI when I was going through a hard time. Years later he visited me for a week or so in SC. Through the years Andy always found me. I am really going to miss the , out of the blue, calls from him. He died way too soon. I am so very sorry for your loss. My heart is breaking with y'all.

“ Annette and Dennis - We cannot imagine the grief and hurt you are feeling!!! It is bad enough to lose a grandson but to lose your son a few days later!!! I remember when Jeff was killed I felt as if a piece of my heart was gone!!!! I literally ached!!! It will get better with time!!! Please don't let people tell you to stop talking about either of them!! Talking and sharing helps with the healing process!!!

Please know that we send our love and prayers to you and your family during this difficult time!!!
