“ Arden was my cousin. I am Donna's older sister. I remember he was
rather quiet around us most of the time. A few times he and our
Uncle Wilford Teel would drive the Cadillac down to North
Manchester and we (Donna, Linda (Ihnen) Riggle and I) would ride
around and laugh. I am sure his life was not always so nice, with
being a veteran and then, losing a couple of his kids in tragic
accident. Sorry we never stayed in touch with him or our other
relatives over the many years...Donna and I live out here in
Northern California. So very sorry for your loss.

“ To the family,
So sorry for your loss . Arden was my cousin. He used to drive that black Cadillac with the tv in it to our house in the summer when I was growing up. Do you remember me, Gary? We used to play at your grandparents house in Mentone. Also, I sent his obit to our 2nd cousin, Claudia. She was Claude Kindig's daughter. She remembered him as a "tall glass of water". That was a old term people used to use when talking about someones height and she heard it from her dad. I was saddened at the loss of Arden and thought about getting in touch with him in the last couple years. Being a Korean war veteran, I am sure he had ptsd. "The forgotten war". I hope you will get in touch with me. I have pictures and a family tree that I would like to share. And if you are in touch with Kathy Tucker tell her too. So sorry for your loss. Godspeed, Arden.

Are you the granddaughter of Freida Witham? Her mother, Goldie was my mother's aunt. My sister and I met Freida and her husband (forgot his name) a few times as young girls and they always seemed so nice. Sorry she recently died.
