“ Although I cannot make the celebration service and show my respects for the loss of Arnold know that the legacy that he leaves with all of us will be with so many that he and you as the family have touched over all the years. Your video brought back for me all wonderful memories of how caring and loving you always have been. I remember the kindness that Lila used to show when she would baby sit my brother and I and all the creative ways she would use to interrain us, and I know she got that from Mom and Dad. Arnold was always so kind to our family and I remember many auctions spent running around looking at so many interesting items. Arnold was a man of God and now receives his reward. May you all find comfort and peace knowing that his legacy will live on through all of you. May God continue to bless you and comfort you in this trying time.

Fondest memories and wishes for you all.

“ Prayers to all of Arnold’s family, he is a part of our family too. I danced with him and Roma many years and my kids thought of them as grandparents. From the time my daughter was 2 he was so special to her..he is the only one who could pull any of her baby teeth and she loved him so much. He had a wonderful full life and I’m so glad of that..loved his furniture he made and having him show it to us and telling about it..Alex and I are just so glad we saw them a couple months ago and got to have breakfast with them, we really have missed them a lot ...he will do wonderful things in Heaven too I am very sure...Love you Arnold and Roma...many prayers are being sent your way❤️❤️
