“ Dear Cook Family,

Our hearts became heavy when we read of Jodie's passing in the obituary of the Indianapolis Star newspaper.

Our memories of Jodie took us back through the many years we worked together in our office. We became dear friends quickly. Your Mom was a dependable, honest, positive and adaptable anchor in the office. She was loved and appreciated not only by us, but also by many patients. Over the years after she retired, we were asked frequently by patients " How's Jodie doing?".

It has been a blessing to have Jodie in our lives for so many years. She is and will be truly missed!

*Love,
Reece Townsend, D.D.S. and Tish*

“ *I was sad to hear of Jodie's death. I have known Jodie since we were small children. She was always close to all the Dillman family. Will always remember those reunions on West 2nd St. in Bloomington. She was as same as a cousin to all of us. I'll remember all those piano recitals we took part in as pupils of Mildred Warrick. Her memory will stay with me and all our family forever.*
