“ *I didn't know Barbara well at all, but I this is what I have taken away from seeing from the side lines. I am just a neighbor who takes lots of walks and many times those walks took me by her house. In the spring and summertime there were always multiple dogs and cats laying around and one could often hear a bird (parrot ?) coming from the inside of the house. This always spoke to me that Barb had a real heart for animals. Often quiet people pour their love and hearts out to animals; it is a safe place because animals are are loyal and don't judge. Animals love unconditionally and are very grateful; we humans have a lot to learn from them! I wonder if I missed out in not getting to know Barb in a much more personal way? She was a very hard worker who gave of her life for her family! May her life be an inspiration to her family and may they honor her by living on that legacy. May God rest your soul, Barbara, rest in peace!*
