“ I am so honored that Kevin Zolman and I got to go up during Thanksgiving and visit with Phyllis and himself. We really enjoyed the visit and I also learned that his son Kevin is alot like him. It was a great visit and living so far apart it really meant alot to Kevin to get to visit his father and Phyllis. He was a very good man from what Kevin has told me and he really taught Kevin his work ethics and to be responsible. He will be missed.
