“ I am so sorry for your loss Steve, Martha and Jon. Your Mom was a great lady and will always be remembered fondly by my family! Visits to your farm when we were young were always a very happy occasion for us! Your Mom's hospitality and friendliness always made her a favorite cousin of ours. "Helping" Dick milk the cows was always an experience too. Our mother, Joy Golden Steager (1st cousin) was particularly fond of her and her sisters Ida and Rosalie! Bonnie was never at a loss for words and always would laugh out loud when something amused her! What a lifelong gift she had connecting with people. She will be greatly missed but very fondly remembered! Sandra Steager Odisho

*Sorry to hear of Bonnie's passing but know she will be rejoicing with the King of Kong's. I have fond memories of Bonnie and so enjoyed visiting her when I could. I did think about her off and on here in Florida wondering how she was. Our prayers are with you all at this time.

Bonnie was like another sister to the Hanes girls. I always enjoyed the stories she told on them and her infectious laugh. My mom was just reminiscing on the phone with me about all the good times they had together. She would like to be there, but is unfortunatley in quarantine. Thinking of you. “ Praying for comfort you mourn. Dick and Bonnie were some of my parents dearest friends and we enjoyed many, many great times together on our farms. My brother and I learned how to start an old John Deere B tractor by spinning it over by hand at the Whittenberger's. I also logged some miles on a black pony. We enjoyed bottle feeding calves, cranking homemade ice cream and lots of laughs together. Bonnie had the biggest laugh of all. Thanking the Lord today for great memories of great friends.
