“ Always someone that you could count on for a laugh, or a general discussion about John Deere's. He always knew how to put a smile on your face. He will be missed deeply by all those who knew him.

“ I worked with Brett and considered him a friend. He was one of the most kind, caring, easy going people I have met. I know my little part of the world will be a bit darker without him. RIP Brett, my friend.

“ *Brett was one of the kindest, sweetest people I ever knew. I always thought a lot of him. He greeted with hugs. Being that I'm only 5'5 and him being 6'4 we joked and called them my "tall hugs". I looked like a kid standing next to him. I'm deeply saddened at this great loss and knowing I'll never get my tall hugs again. I know you're in a better place now Brett but, you will be so missed here on earth. I love you and will always miss you my sweet friend. Prayers to his family and loved ones. RIP Brett Harmon.*
