“ *Recently while going through old boxes of pictures I came across a black and white snapshot of myself and Buni and a few of the old gang in the study hall at Beaver Dam High School. I'm guessing about 1962, way back in the old days. Sitting here now I'm thinking of long walks across frozen Beaver Dam Lake, from the Conservation Club to the little old store. What a fun group we were! Many years of good friendship when we both lived in Burket, our kids Thad, Rick and Tina were like brothers and sister. Those were the days! Most recently Jack and I ran into Bill and Buni while eating Smelt at Kristys in Akron. I will miss those chance meetings and big hugs.*

*My heart goes out to Bill and his family. Buni was one of the Best!
Rest In Peace, Buni, in your new heavenly home ❤️*
