“ My heart is broken for the loss of my last dear sister and for her family and friends. There are so many favorite memories. I am so thankful for my last visit with Dolly and Dawn. We laughed. We cried. We talked about old times. For nearly ten years, we shared the beach and special times in Florida together. We shopped til we dropped almost everyday and then returned to Indiana to shop some more! Toto will probably be closing their doors soon without our weekly visits! Lots of love, hugs, and healing prayers for all her sweet children and grandchildren. She will be greatly missed by all of our family, but I know she is out of pain and in a better place. I will think of you everyday for the rest of my life until we are all together again in heaven.

“ I am so very sorry and wish peace and healing to Aunt Dolly's girls, grandchildren, sister Doris, and all the family and friends who knew, loved, and laughed with her. I have so many wonderful memories with our families camping and fishing at the river, enjoying holidays together at Grandma and Grandpa Chapman's, sitting in the sun on the beach in Florida and SHOPPING!! Oh did she share my love of shopping!! I am so happy my own girls were blessed to know her and spend those times with she and Uncle Roy. Rest in peace sweet lady. You will be missed by so many!
