“ Shirley and I love all of our family, each one is unique. Chris was a wonderful sister, she could be stern when need be, but she was a kind, loving, sharing giving person that loved to help people. She loved her family, her husband, children and grandchildren were number one, but her great grandchildren was her pride and joy. I know she enjoyed cooking, fishing, gardening and computers. If there are computers in heaven, her fingers will be itching to get on the keyboard. She will be loved and missed greatly. With all our love.
