“ Really enjoyed our visit with Joann last Summer. A group of us from her high school class of `82 sat out on the porch and talked old memories. Joann had a lot of them and also questions about this one or that one....she was always remembering all the positive and nice things about everyone.....I really wish we had more people like Joann Ramsey in this world. I KNOW I can speak for the entire class of 1982 in that we are very saddened over hearing of Joann's passing. She was ALWAYS so well thought of and fun to be around. Our thoughts and prayers are with the family. Doug Dickerhoff

*Dear all Jim and Connie's children and their families,  
Even at a sad time as this, I must say most of my memories of growing  
up with this family is filled with hard work, fun times and a lot of  
laughter. Joann and all of you have a special place in my heart. I pray  
God will be gracious to all of you and a special prayer for Bobbie Jo
