Jerry & Family, Berne (or Berne Lee As Connie always called him), and I send our sincere condolences. Wish we could be there to give you a big hug. I am so glad we got to spend a little time with you last fall. Whenever I see “ Gone With the Wind” I think of you and Connie on my first blind date with Berne. Always said it was Connie’s fault that we got together. Sixty eight years of friendship is a long time to always feel like it was just yesterday when we last talked though it may have been several years. Her laugh will always be with us.

Rest In Peace Connie
