“ Dear Wilma and family,

We were so sorry to hear of Dave's passing. We know he has been struggling for a long time, but we did not expect this so soon. You have been, and will be, in our thoughts and prayers. We wish that we could come to the services, but we are in FL. In fact, we had hoped you might be coming and we could meet up. Please know that you are special to us and we will not forget to pray for you in the days and weeks ahead. May our compassionate Lord be your strength and comfort.

Love,

Dick & Kathy

“ Our heart is breaking for my sweet ex neighbor Wilma. Two of the kindest people we know who give the worlds best hugs. I could never leave with just one! Jim and I will miss you Dave. God needed you to take care of the cows, goats and pigs in Heaven! We will see you again someday. Love always...Jim and Suzanne Swan/Leoma Tennessee

I lit a Periwinkle Candle in memory of you Dave because I remember how much you loved Purple. I remember the time Wilma painted things around the house purple and put purple sand in the walkway to your house! Too funny you never did let her live it down.

Oh my goodness. I have another memory. The time Wilma and I went shopping, she bought shoes and I was sworn to secrecy not to tell you... well now I will tell you she kept them in the trunk and then would sneak the boxes into the house when you weren't around. My conscience is clear! Grin
