“ I remember as a child going with my mom to Don's Flower Shoppe to pick out our annual flowers. Then growing up as an adult, I took my daughter with me to purchase our annuals. Don's flowers were the prettiest around! Such great memories made!

My mom went to visit him in the nursing home last month and he asked how I was doing. Really made my day that he remembered me.

God Bless & Prayers to The Waggoner Family

“ I remember long ago around 1947; Don and I (Patricia Cole) went on a date to the movies and it cost 12 cents each. I also rode on the handlebars of his bike to school. We had so much fun as kids and great memories made.

“ While technically not my grandpa, I've only ever known him as "Grandpa Don". I believe that even the neighborhood kids felt this way. The door was always open to Don and Alice's house, we knew who had the goods...the popsicles and juice barrels. Where else could you bowl in the living room. I remember building the float and throwing out candy for the Etna anniversary with Grandpa Don. I remember lots of walks into town for Ice Cream with Grandpa Don. Only now as a florist can I look back and truly appreciate and understand the hard work it took for him to open and run his flower shop for so long. It truly shows the trust and love his community had for him. Even after passing it along to Uncle Eric he didn't lose that attention to detail and pride in all things blooming and beautiful. I challenge you to think of anyone in Etna who kept a more presteen yard, flower beds and gardens than Grandpa Don. Grandpa Don will be so deeply missed. I wish I could be there with you all during such a difficult time but we can all take comfort in knowing that he will no longer suffer and that he has been reunited with his love❤️ I love you all❤️ -Ashley Wallschlager and Family
