“ Michelle, I'm so very sorry for your loss. I just found out about it this week! Doug was such a wonderful guy. I'll never forget when he pulled me aside and taught me some things in euchre on how to outsmart Terry! It worked! I would love to talk to you. I am going through this as well right now. It helps to share with someone going through the same thing. May God give you peace and his love through this. You have so many good times to remember. Love, blessings and hugs to you my friend. You're in my prayers.
