“ Sorry to hear about your mom. She was like a second mom while growing up. Have a lot of memories: her delicious green beans, helping me bake chocolate chip cookies & butter cakes for 4-H, playing games like Sorry and Aggravation, making toast in her antique toaster, shopping for Easter clothes, and more... just to name a few. She will be missed but leaves behind wonderful memories.

“ I'm sorry to hear of the loss of your mother. She was always caring whenever I would see her. She was a good friend to my mother. She truly showed the love of Jesus to everyone she met. May you know God's presence during this difficult time.
