“ *Ellen had come down to our house when we first moved in back in 1968. What a wonderful and caring lady. She made us feel very welcomed into the neighborhood. Ellen and I had taken a long stroll to Mentone one spring day with my fist born in the stroller. I think we were nuts walking that far. But. talked and laughed along the way. She had helped me whenever I needed help w/sewing and so many other offers of kindness. I am sorry that I had lost touched of Ellen. But, had met one of her granddaughters a while back. As she was dating one of my nephews. Your smile is a ray of sunshine Ellen. Thank you for touching my life as a young mother. God Bless You and your families friends.*

“ I have been Ellen's neighbor for 25 years. She was a friendly, kind hearted person. She was always on the go, always out and about. I'm really going to miss her and her smile. It won't be the same without her. Not seeing her outside mowing her yard or working with her flowers. God Bless You Ellen. Until we see you again. Rest In Peace...
