“ He was my final living sibling out of 11 of us. Diane said what I have said too; he was a precious man. I miss him so deeply it hurts me. Thank you for all good thoughts given here.

“ Oh, I loved this man and his wife like they  
were my very own parents. When it became  
time for me to get my drivers license, they  
graciously allowed me to use their "BIG"  
vehicle with push button  
transmission.....never saw anything like that in my life. Dear June  
went with me....Will never forget. Our families also put together  
"GOOF BOXES" for every family member full of memories.....so  
much fun with this precious man that was a father figure to me.  
Hugs and blessing to this dear family.  
May God wrap His loving arms around you and hold you ever so  
close until the pain softens.  
Love,
