“ My beautiful cousin! I have only good memories of Gloria! From family dinners when I was a child, going to the local drive in for ice cream, to summers working together at Donnelleys when I was in college, Gloria was always full of fun and laughter. In later years, I admired her courage and positive outlook, even through so much personal loss. When we parted after her mom's funeral this summer, we promised each other to not wait for the next funeral to get together again and I'm sad we weren't able to keep that promise. I'm sure going to miss her bubbly personality. Until we meet again! Tami Tucker King
