“ My sincere condolences to Dale's family. I can still remember in the late 70's and early 80's celebrating our birthdays together with Cole Hutton, Dale and myself. At that time he lived on Georgetown Road and he was milking cows at Mrs. Coys farm on 62 across from Gidleys. Although I have not seen Dale for several years, he was a very good friend back then. Dale was a great guy and will be sadly missed. Rest in peace my dear friend. Sincerely, Greg Hardy
