“ My sincere condolences. I was with and married to Harlan for a total of 14yrs. I met him shortly after I started working at Kralis Bros. He was very handsome and eventually we started talking, then dated then lived together then married in 1987. My 3 boys looked up to him and he was a good provider for our family. He was a fantastic boss at Kralis Bros. and Ameri-can. People liked him. He was a very humbled guy. Loved his family dearly. I am sorry he has passed. I pray for comfort and strength for his family.
