“ I first met Harold when my Dad bought his first Buick at Bledsoe Buick. That was probably 55 years ago. Over the years we purchased quite a few cars from Harold. He was such a great guy, very personable. After Bledsoe closed I lost track of Harold. And then one day, I pulled into Good Will to drop off some things and there was Harold. The same great guy I knew 55 years ago. That was two years ago. It was a privilege to have known him.

“ Bonnie, You have my sympathy. He was a good fun-loving person. I enjoyed working with him besides knowing he was married to you. Our son lost his house to fire in Oct. so I have thought about you and what you went through. Carol informed me and I will be thinking of you. Take care. Anna Kronk Glad to have seen both of you last summer.
