“ Hello Dean, Rod, Judy and all your loved ones,

My heart is breaking for you all. Jean was a character and I always loved being around her. You always knew exactly what she thought and where your stood.

Being a suburban brat and knowing she grew up on a farm I had heard that cows stand with their backs to the wind when a storm is coming. So I asked her what does it mean when cows lay down. She told me they were probably tired. Then she laughed and laughed. I am going to remember her laugh forever. My thoughts and prayers are with you.
