“ As one of the Gillman girls from Mentone, I remember Helen from my years attending Mentone Elementary. My sisters and I walked to school and passed by the Good home daily. She always said hello when she saw us. Joe would also do the same. She always remembered me, no matter how long it's been since she seen me last. I was amazed that when my kids were very little, I took them trick-or-treating to the Good's. Helen opened the door and right away, she knew who I was! I couldn't believe she remembered me. Her house was a place that I trick-or-treated growing up. I'm glad I was able to share that same experience with my kids. Thank you for the memories Helen and Joe. You are all in my thoughts and prayers.
