“ He loved others but not his own children. I am "Jaclyn" they didn't even spell my name right. I never met the man. "Dan" wasn't his but played dad. Make that make sense. His ex wife and my sister tried to cut my brother and I out to give her a "tiny" down payment on her new house. Great family 🙄

“ I'm so sad to hear of Pete's passing. He was a client I really missed when I moved to another state. He'd always stop in the office, if only to tell me a joke or talk about his latest "invention/endeavor". My deepest sympathy to his family. He will be missed! RIP my friend.
