“ I'm not completely sure how I originally met you Jackie! Since we had kids in the same class in school we ran into each other a lot. You were always so friendly and had a great smile on your face! I will forever remember your laugh. Thank you for your friendship over the years. I will miss you!

“ Words cannot express how much I will miss you, girl!!! Jackie, you were simply the best; kind, loving, funny, sweet, snarky... I could go on and on. Your willingness to do what needed to be done, to love (at least sometimes) the unlovable, your creativity, your unrelenting optimism, your deep faith and love for Jesus. You were always there for me... and I thought you would be here as long as I needed you. But... God had other plans... and even while I write this, I know you are joyous, joyous, joyous! So I'm sad for all of us that will miss you here on earth; but I am also at peace knowing that you are right where you belong, with your Jesus.

And I promise I will get signed up for that Emmaus Walk that you kept nagging me about! :-)

I love you, Jackie! I will miss you! But I will see you again!Jill

“ Jackie and I became friends when working at Kimball Glass, partially because we shared our name. She was a good friend and co-worker. Reconnected after her daughters wedding last year. She will be missed.

Your friend, Jackie C.

“ Jackie was a great friend to have. I met her at the youth group for the younger kids at Beaver Dam Church. She was a person with great humor and we could laugh for hours. I will miss her greatly and am happy for the time I have known her.

“ Jackie was a precious jewel in every way! I first met her several years ago when she offered to help with VBS when our churches worked together to put on the Jerusalem Marketplace. She and Meredith (then in high school) were willing, energetic, and positive volunteers who helped make it such a fun and rewarding experience! Since then, every single encounter with Jackie has been a blessing to me. She just radiated the love of Jesus with her generous, loving, giving heart, hands and hugs! My prayers and love are with you who will miss her the most!!!

“ *Jackie had a very special gift--the gift of hospitality. She always made you feel welcome in her beautiful home or in her church. She spent countless hours decorating the church fellowship hall for special events. She just had such a knack for making everything look beautiful. She, along with Paul and Eva Mae, were in charge of many funeral dinners and Wednesday night dinners for Feast and Fellowship. She was always ready to help with VBS. I'll never forget her paper mache life-sized Jesus in a real rowboat that she created for VBS! Her passing leaves a void that will always be felt.*
