“ My best friend growing up, is Jim's niece, so I grew up knowing and spending time with "Uncle Jim and Aunt Marga". I always wished that they were MY Aunt and Uncle! I was always warmly welcomed in their home.. and treated just like one of the family. You always had a good time at their house. It was the first time I had ever heard of hillbilly golf ! Jim had to cut one of the golf ball strings out of a tree! OOPS! (not thrown by me). He was a big man, with a big heart.. and I, not even related to him, loved him. Marga, Michelle ,Jimmy, I am so sorry for your loss! May God comfort you with wonderful memories and peace in the days ahead.
