“ Jenna, you are the strongest little girl i have ever known. You taught me more in your 2 years than my 26 years of life. I am so blessed to have worked with you and watched you grow. I will never forget you always taking off your socks in the dead of winter, and me freezing in the car, while you were sweating. I will never give up and will continue to fight for everything in my life, just like you did. <3 you pretty girl.
