*Susie, Thad, Thane, Ty, Taber and Families,  
Our hearts were broken to find Jerry's Obit in the Wabash Plain Dealer this A.M.. He; as your whole family are very special to us. So many FOND memories of the past. Friendship, neighbors, care pooling our kids to K-garden, school activities, Halloween (trick or treating) to being the best dentist I ever knew. I still get joy in my heart when I pass the farm and see Landenlen on the silo. Those were such fun days. Hugs to each of you.*
