“ Jerry was such a blessing to know. We vacationed at the same fishing resort many years in northern Minnesota. He was always pumped up to go out fishing. He absolutely loved fishing and it was a privilege being in the boat and fish cleaning house together. We shared many thoughts together and I will truly miss a great friend and fishing buddy. He always made our time together extra special and I loved that about him. He will never be forgotten as the memories are etched in my heart forever. RIP Zman!
