“ *To pick out just one memory of my grandma would be impossible. She was so much to me. She was my best friend. She was a piece of my mom I held onto when she died. She was my rock. We had so much fun doing facials. She always had the newest face anti age creams. If it was on tv it was in her house :). Grandma I love you so much. I am so lost. I feel like a kid all over again. You are with mom and Grandpa now. Some day we will all be together so Ill try to be half the women you was. Love always Trina*
