“ *I met Jimmie about 6 years ago. I use to manager the apartment complex where he resided. Almost immediately, he volunteered his time every morning making coffee for the residents. He played a major part when it came to sharing stories and putting smiles on so many that didn't have families. He will certainly be missed by family and friends and the many he shared coffee with. RIP Jimmie!*

TP

*My condolences to Jim's family. Although we haven't had much contact over the years, Jim was a close childhood friend and neighbor.*
