“ *My condolences to all the Family. My forst wife Jan, daughter Lara and I lived by John, JonJon, Jermiah and Sarah when we lived by the Tippy Dance Hall for a couple years. John was always quick to lend a hand working on a vehicle. We were all fairly poor back then and like good neighbors we all lent a hand. Jeremiah ran into Lara with his bike one time. He was so upset he hurt Lara, but she was OK and we made sure he didnt feel too bad. He was little but really liked her. Bought an old Chevy truck (I wish I still had) from John. He affectionaly named it Earnest T. for the Mayberry RFD character. Trust me if you saw the truck you would see just how well that name fit. John was Good as Gold you dont find too many folks like that. We lost touch when we moved but from what I read it sounds like he went on to do OK for himself. Happy to hear the Kids are all OK. RIP Ole Johnny*
