

## Joselynn Sky Hensley

January 30, 2007 - July 27, 2025

Joselynn Sky Hensley, 18, of Rochester, Indiana and formerly of Disko passed following a tragic automobile accident late Sunday, July 27, 2025 near Disko, Indiana.

Joselynn Hensley was born on January 30, 2007, in Warsaw, Indiana to Gregory Allen and Brandy Kathleen (Zeiger) Hensley. As a child, she was the center of attention and was always in front of the camera. She graduated from Rochester High School in 2024 and began studying History Education at Manchester University.

She worked part-time at the Streamliner in Rochester. Joselynn loved life and the people around her. She shared a special bond with Coleton, whether they were cooking together or going out to eat. She enjoyed concerts with family and friends, and was a fan of Taylor Swift, and wasn't afraid of a good haunted house. Joselyn was a fan of musicals and could recite every single word from Hamilton. She also enjoyed online gaming with friends.

Animals were close to her heart. She cared deeply for pigs, ducks, and especially cats. She also loved the outdoors and spent time camping, kayaking, and collecting perfumes, books, and albums.

She is survived by her mother Brandy Hensley of Rochester; father Greg

Hensley of Rochester; siblings Nathaniel Beck, Alexia Hensley, Tristan Hensley; and paternal grandmother Connie Hensley.

Joselynn was preceded in death by her grandparents Melissa Kay Dooley, Richard Joseph Zeiger, Mary Kathleen and James Fred Dooley, Kenneth Eugene Hensley, and Evelyn Hensley.

A celebration of life will be held with her lifelong friend Coleton at 2:00 pm, Saturday, August 9, 2025 at Hartzler Funeral Home 305 West Rochester Street Akron, Indiana with Pastor Jason Kissel officiating.

Memorial visitation will be held from 12:00 noon to 2 pm, Saturday, August 9, 2025 at Hartzler Funeral Home, Akron, Indiana.

“ Dearest Lexi — I don't even have the right words. Jocelynn was a precious soul, and I feel truly honored to have met and known her. She was kind, incredibly bright, and such a light in this world. This is heartbreakingly unfair. Please know that in her short time, she made a lasting impact — one that won't be forgotten. I'm so deeply sorry.
