“ To Sandra, Janice, and families: Our deepest sympathy to all of you . Joe was such a great friend to our family. We visited him a few times at the asst. living facility. He was an Asst. Fire Chief when my dad was Fire Chief. He also made videos of the Mentone community for us. Bob remembers being on the Ham Radio with him several times. We pray for peace and comfort to all of you during this difficult time. Love and blessings, Jan (Mollenhour) and Bob Hauptert.

“ Dear Sandra and Janice and families,
I was saddened to read of your Dads passing. Your Dad was a wonderful friend to my Dad for many years.. I feel like I knew your folks my whole life. I was blessed to visit with your Dad on many occasions as he visited the Dr office where I worked. He was a sweet guy... so thankful to have known him for so long.
Please accept my deepest sympathy.

“ So sorry to hear this news. I spent many, many hours in the Good home growing up. He always had a quick smile and laugh and was always so nice to everyone. I always remember his place in the basement with his ham radio and I was always sort of fascinated by that thing. Prayers for you all as you go through this sad time, but have comfort knowing he is rejoined with your mom in heaven now
