“*Juanita was a kind & loving person. She would care for my mother while I went to the grocery store. Mom adored Juanita. I am sure they are having a good time in Heaven. Her smile would light up a room. I will never forget her kindness & zest for life. We have lost a beautiful lady & Heaven has gained a wonderful angel. My condolences to her family.*

“*Juanita was a great person, I've know her since 7th grade at Pierceton High, and we've kept in touch the past year or so thru Facebook. She would talk about her family, show off her great food dishes, and cheer for Purdue. That was a place we differered as I'm an IU fan. We teased each other about that. I send her family my deepest sympathies and prayers. Memories will help you thru this difficult time. Bless you. Cathy (Shear) Lundgren*
