“ I am saddened to hear about the passing of such a great teacher. Mrs. Swick was one of several outstanding English teachers I was blessed to have at Ivy Tech. Mrs. Swick helped me to overcome the frustration and disappointment I experienced in my Junior high and high school days in the area of English. Mrs. Swick was very encouraging and always positive in her approach to help those struggling to express their thoughts and feelings on paper. I have never forgotten all that she taught me, and I will always remember her and thank God for bringing her into my life as one of the greatest teachers I've ever known. It was an honor and privilege to know her. My thoughts and prayers to her family and friends.
