“ I worked with Kathleen in the Probation Department for several years and have kept in touch since through Facebook. Just a few months ago, she called and said she had had a dream about me the night before. She called to make sure I was okay. Kathleen did have a big heart and loved her friends, church family, and especially her children and grandchildren. My thoughts and prayers go out to all of you. I will miss her quick wit and smile.

“ Kathleen Haney wasn't just an animal lover, a social worker and devout christian. With a heart as big as the Grand Canyon, she was generous and gave to those in need whether she had much or little. Never stingy with her hugs even for a stranger (Which, btw, she never knew a stranger. At least, not for long anyway.) She was a fire cracker, an unpredictable little dynamo with an age of 71 on the outside but much younger in her heart. Sweet as can be yet she could breathe fire if someone hurt the people she loved most. To me, she was a loyal friend and confidant. She will truly be missed.
