“ With heavy heart, I speak out to let you know just how sad this event has made us all feel for you and your family. I pray God will comfort and give peace to your whole network of family and friends touched by this. I know no words can do anything to help, however our father in haven can help and our prayers go to him to do so. Charlie I have had such loss as this in my life and feel them still today, I go on knowing in my heart a day will come when again we will see our loved ones that have went on before us.
