“ Her pain is gone now, and we who knew and loved her have the
pain in our hearts, never hearing that laugh, seeing that smile,
getting that huge hug, or a telephone call from you, we have lost
soooo much. I know we all wanted to take the pain away, the
doctors tried, but only one person succeeded. Aunt Janet loved you
so much and I am so sorry I didn't talk longer with you 2 wks ago
when you called. Rest in peace love, you are now pain free.; Aunt
