“ Please do not associate me with this man. From 1st grade through high school, I experienced all of my child and teen years at the hands of this child abuser! I experience first hand what a very angry and short tempered man he was. I experience verbal, mental and physical abuse from this man and I have moved on in life and totally forgotten him.

“ I remember Larry and LeRoy well from dating Larry's brother John. We used to eat at Penguin Point together, then everyone would come back to my house for dessert. Such a nice family. My father, Herb Mann, is also an "Echoes" man. My thoughts are with you during this difficult time Ruth Mann, Warsaw

“ I had the priviledge of workint with Larry Worley for a number of years in the 4-H Shooting Sports program. We worked closely together from the beginning of the project.
I have never met a man with such a high personal integrity within the community. It was my priviledge to work with him. I have been honored to call him my friend.

Larry you will be missed.

“ Larry was my step-father for many years as he was to Len, Brad & Janice, we as LeRoy's sibilings want to thank everyone for all of their support and comfort of our little brother during this time. Larry gave of us the memories of living out of the city and in the country with all of it's wonderful smells and not so great smells at times :) He showed us all a different part of life we may never have known and got to experiance. He loved LeRoy and Larry Jr and Terry very much. I hope they all 3 can carry that in their hearts forever and know he was the best dad he knew how to be.
