“ I wanted to express my understanding and sympathies. My name is Joanne and 8 months ago we lost our full-term granddaughter to stillbirth. Until then I never totally understood the grief that goes along with losing a baby in this way. Your family will be in my prayers, and if you need someone to talk to that understands, feel free to e mail me, simpsonrj@juno.com. May God grant you the peace that only He can give.

“ God obviously needed this beautiful little angel more than we did here on earth. She will be watching over all that loved her even though she didn't get the chance to share in the joy of spending time with them. She will be greatly missed & treasured for the rest of your lives. My heart & prayers go out for you all. <3
