“ Laura and I had only known Marna for a short time, we would meet her with Mike and Damon at dog shows, showing her beloved Havanese dogs. We were new at showing, and were very grateful that Marna would take time give good advise to us at shows, and we always looked forward to seeing her at the next show. As her health declined she was always a very gracious lady. We look forward to Damon continuing to show their Havanese dogs.

“ *Marna was my friend and mentor in ICU at KCH. She also introduces me to our cocker spanial "Freckles and Mali ", who became part of our family and treated like royalty. (She told me that would happen, lol). Marna had a great sense of people and dogs. Im sure she is going to leave a big hole in her families heart. Rest peacefull dear Marna. God Bless.*
