“ To Aunt Sue, John, Connie, Tom and all the family. I was sad to see the news. Always a feeling of lose, is balanced by the knowledge that they have gone 'home', when each knows the Lord God Almighty. I am praying for you and that fond memories keep coming to mind. I am also remembering things, as I am sure you are, and one such is all the times we made ice cream at family gathering. And there was the final 'whip' before serving it up which Uncle Hank (and Uncle Ed) oversaw. Another one of those memories that influence each of us and I am thankful we have many of those.

“ To Hank's family,  
The last few years of Hank's race here on earth were difficult. Yet, he remained steadfast in his love for the Lord and His Word, and in his love for Sue and all his family. It was my privilege to be a co-worker in God's Church with Hank and see his pastoral and evangelistic heart for the people of Grace Village. His straightforward sermons and clear invitations for residents to receive Christ were fruitful.  
Hank's peaceful presence with Jesus is better by far for him. For you all, I pray that you will experience the comfort from our Father of compassion, love, and comfort. May you remember what Hank taught us to say antiphonally in Health Care Chapel regularly:  
"Jesus is good - All the time. All the time - Jesus is good"  
Blessings and Shalom,  
Chaplain Bryan

“ Grandpa, I will always cherish our time spent together during my childhood. Spending time with you learning to run your 1940 John Deere "B" are some of my fondest memories, and I'm convinced that if more people had those experiences growing up that the world would be a better place. You were also one of the greatest story tellers I've ever met, and I always enjoyed listening to you share your many life experiences. Our memories together mean more to me than anyone can possibly know, you will be greatly missed!  
Love,  
Garrett

“ Connie and family.....I just read about your Dad. I didn't know him but always heard about him. It's hard to lose a parent at any time in your life. My Dad has been gone for 50 years, but I was lucky to have my Mother till she was 100. My condolences to all.
