“ Cousin Marvin and I shared some good times together in our  
younger teenage years. Although we lived 3-4 hours from each  
other, we were able to have extended visits at each other's house  
during some summers. Many of those "good times" cannot (and  
probably should not) be elaborated on here! Over the past couple of  
years Kris was able to arrange phone calls with Marvin. The last  
one she arranged was a few months ago and was really special as  
we were able to FaceTime. Marv and I had a great conversation  
talking about old times we had together. Sure glad we were able to  
talk and see each other that day! Sure will miss you Marv, but will  
always be thankful for the memories. Rest In Peace cuz. Love you!
