“ My most vivid memory of Grandpa is him watching us from the deck while my cousins and I would play in Silver Lake and then one time I got stuck swimming from the middle of the lake and thought I could make it back to the deck but I was getting tired. Grandpa jumped in with no hesitation to pull me back. Love & miss you Grandpa, I hope you have complete peace. Thank you for being loving husband, father, and grandfather all these years.

Love,
Your cajun grand daughter Jessica.

Mike was our fathers roommate, at Masons, before our father passed, in March! He always had a smile on his face & kept an eye on our Dad, when we weren't there! Rest In Peace, Mike!
