“ We are so sorry on your loss. We are Hoosiers, but we met Miriam & Bill when we rented one of their places in Harlingen, TX. They were both so nice and helpful to us. I always referred to her as the Energizer Bunny--always going and not stopping. So glad we got to visit with her this summer. A very special lady indeed.

“ I'm so sorry to hear of your mom's passing. As you know, it's hard to say goodbye to our parents, I still to this day want to pick up the phone and call mother or father, but I trust that you will hold tight to the memories of happier days and will be able to pull them out whenever you are feeling low. God's bless your families. We will never forget how great they were to our Mohler families! We loved your parents as our own!

“ When Miriam and I first met we hit it off right away. We recognized in each other some very similar traits and respected the unspoken truths of our characters. The flaws and all. When Bill passed she shared her vulnerabilities with me in a moment a flash and then the walls came back up and the strength was then shared with others. I thanked her for Pedro every single time we came together and will miss her camaraderie and wit. She was a special lady.

“ I met Miriam on the Tony Butler Golf Course in Harlingen, TX, several years ago. After my first League outing, Miriam asked how things went. I told her I thought I was treated badly by a woman who I thought was the rules witch. Miriam said, “Come back next week, please. I’ll golf with you and you’ll see what our league is really like.” Miriam was the glue that held our league together for many years. She will be missed by many who loved her smile, her kindness, and playing golf with her. I consider it an honor, privilege, and blessing that I knew her. Rest In Peace, Miriam.
