“ *Known Sue forever, as a neighbor, co-worker, and a friend. She was a special lady. She took care of the kitties in Athens, and they knew when she was home. I would look across the road and there was a small army of cats following her. She was always on her lawn mower, it was a well-manicured lawn. She was always happy to see you and welcome you in and sit and chat. She was the first one I called when my mother passed. If we got a new car she was always right over to check it out. Later I had the pleasure of working with her at the bank. She was so much fun to work alongside. The customers loved her. I treasure the last time I got to visit with her. I am so sad that you have left us but I know that you are whole again and with Bill and your family. Godspeed Sue.*
